**Guide to GREEN LIVING**

Presented by Brad Seward  
Clinton County Area Solid Waste Agency

Join us to learn about green living by Brad Seward, the Director of Operations of Education for the Clinton County Area Solid Waste Agency. Recycling has a positive impact on our health and quality of life due to less pollution and it helps to protect the environment. Find out what you can do to help keep reusable and recyclable items out of the garbage and what other programs are available with the CCASWA during this Guide to Green Living presentation. If you are planning to attend, please give us a call or register through our online calendar.
